

# CONTRIBUTION FORM

# Oregon Animal Health Foundation

The Oregon Animal Health Foundation (OAHF) was established in 1983 by the Oregon Veterinary Medical Association to promote the health and welfare of animals by supporting a variety of charitable, educational and scientific programs and projects.

A few of the projects supported by the OAHF include:

- Response to Animals in Disaster: ODA educational material & training program
- Animal Care Forum for veterinary, animal control, shelter leaders and key staff
- Identification & Documentation of Animal Abuse booklet
- Animal Welfare & Human-Animal Bond track at Oregon Veterinary Conference
- Dealing with the Loss of Your Pet brochure
- Hurricane Katrina Support (raised \$30,000 to aid animal care efforts and veterinary practices)
- More projects listed at [www.oregonvma.org/about/oa hf.asp](http://www.oregonvma.org/about/oa hf.asp)

### How may you support the OAHF?

Many practices are participating in the Foundation's "Memorial Card Program" to express sympathy to a grieving owner for the loss of her or his pet. (For more information on this program, please contact the OAHF at 800-235-3502). You may also support the OAHF by making a contribution in the name of a special client, colleague, friend or relative, or in general support of the Foundation.

---

**To make a tax deductible donation**, please send this form with your check made payable to the OAHF to:

**Oregon Animal Health Foundation, 1880 Lancaster Dr. NE., Suite 118, Salem, OR 97305**

### Enclosed is my donation of:

\$25       \$50       \$100       \$250       Other \_\_\_\_\_
